Dear Parent/ Carers

I hope you and your family members are all keeping well please see below a brief update on free school meals and supporting information for all parents.

Free School Meal Vouchers –The school have started the process of issuing E-Vouchers to the value of £15.00 per child to parents of pupils on our FSM list, the company we are using is called Edenred, recommended by the Local Authority and the Department of Education.

There have been some technical issues redeeming the voucher codes for parents and we apologise for any additional stress this has caused, this is due to high demands on the site, and the thousands of schools across the country using Ednered, the school is working hard to try and help in any way we can.

To find out more about Edenred please visit their website https://www.edenred.co.uk/

Parents of pupils who are not on our FSM list and not eligible for the E-Voucher please see below link for information about the Southwark Emergency Support Scheme (https://www.southwark.gov.uk/benefits-and-support/emergency-support) and links to food networks, which we hope will be of some help to you.

At present pupils only on our FSM list are entitled to the E-Voucher and the school is awaiting updated information on how we can offer this type of support to other parents. We will contact parents with more information when we have it by email and text.

Please contact the school office email on office@englishmartyrs.southwark.sch.uk if you have any questions or concerns.

Keep Safe
