

Road Safety

The school gate does not open until 8.40pm. There is no supervision for your child before this time. We ask that you try and avoid sending your child any earlier than this time to wait outside the school gates, if they do arrive early, it is important that the children wait quietly and line up against the wall outside the school keeping the pavement area free of congestion. The road outside our school is very busy and we ask that you speak with your child about road safety and not to cross back and forth between both buildings in the mornings.

Margaret Mizen MBE will be holding an assembly with year 5 and 6 on Thursday 15th March 2016.

Termly Learning Conferences.

Thank you to all Parents/Carers who met with their child's class teachers. If you did not manage to meet, please try to make a convenient time before the end of the term. These meetings are important to yourself and your child to discuss progress made and targets that you can help support in the next term.

World Book Day

Thank you to all parents that helped to create wonderful costumes for their child/children to wear on Book Day. The pupils and staff made a fantastic effort and all looked wonderful.
