On Tuesday 21st the Freshwater Company will be in school to do an African story telling workshop with each year group to get the children inspired and a visual stimulus for their art work.

Humanities Week

The whole school joined together to celebrate the Queen's 90th Birthday with a "street party" on 10th June. The children all looked wonderful, dressed in their royal clothes; there were many princesses with their crowns on display. Thank you to Ms Johnson for organising a fun event and for such incredible learning throughout the week.

Summer Fete Donations

Our summer fete will be on Friday 15th July and we are kindly asking parents and carers if they would donate something for the fete. We cannot accept clothes. Donations of unopened bottles of drinks, dried food goods, toys etc would be very much appreciated. We thank you for any support you can offer to help ensure the pupils all have a great day.

Healthy Week

P.E. and Healthy Week will commence 27th July; there are lots of exciting, fun activities planned to help the children learn fun, safe and healthy exercise routines, as well as parent workshops. Years 1 – 6 will also have their Sports Day. Your child will be bringing home letters, please remember to check their bags or ask them about letters they have received.

Permission slips - Parent letters

Letters that are sent out and require parent/carers to complete a slip and return to the office, we ask that the slip be completed and moved from the letter before approaching the school office. It has started to cause congestion in our reception area and is a Health and Safety concern for the school. Your support would be very much appreciated on this matter.
