### Scooter Pods

Some parents expressed an interest in their child travelling to school on scooters as a result Southwark council and our school travel plan advisor have installed scooter pods by the Nursery for children's use, Please use them! Remember to always be safe on the pavements and be aware of everything around you when using your scooters.

Year 1 will be taking care of some very special guests in our school over the next few weeks. They have been given the responsibility for taking care of seven eggs from Surrey Docks Farm and will be monitoring their development and waiting patiently for them to hatch in to baby chicks. We will keep you posted on their development.

### After School Clubs

There are many enrichment clubs happening now, please make sure you know what days and times your child attends a club and will arrive on time for collection.

### Enrichments

**Well done and a very big Thank you to all the children who have worked hard and achieved Green cards.**  
**Congratulations to all the pupils who received a certificate in Good News Assembly for many different wonderful reasons.**

Please continue to support your child's learning at home by logging on to MyMaths regularly and listening to your child read each evening, learn their times tables and spellings  
Wishing you all a relaxing, healthy and safe weekend.

God Bless  
Mrs Appah

### Book Week

World Book Day takes place on Thursday 3<sup>rd</sup> March 2016, and we would like to invite you to join us in helping your child to make the most of this special occasion.

We would like to invite your child to dress up as their favourite book character. Your child's class teacher will also be helping children with ideas. We will be asking for a donation of £1 to contribute to world book aid that provides reading books for children in Africa. So please use your imagination and help your child with their costumes. We look forward to seeing some wonderful creations.
