# our nation

**5-6 hours delivery**

**Our Nation inspires students to explore the relationships between people, businesses and government that make up today's UK economy.**

## **How it works**

- For students aged 8 to 11
- 5 to 6 hours delivery time
- Delivered in the classroom by a Young Enterprise business volunteer
- Flexible group sizes and delivery options
- Students work together through a series of engaging activity based sessions
- Supported by comprehensive programme and support materials

## activities include:

exploring “our nation”

andy’s apples and the apple juice story

the supply chain and skillset games

business and customers: where do we shop?

solving problems – who’s responsible?

business communication – getting the message across

**Jeremy Jackson,**  
Headteacher at Webster Primary  
School, Manchester:

“

The children learn about business and the wider world in a hands-on and practical way that is more effective than just telling them.

”

### Supporting the curriculum

- Every Child Matters: Economic Wellbeing and Making a Positive Contribution
- Enterprise and Financial Capability
- Citizenship
- Literacy and Numeracy
- Geography and History
- Design Technology and Art
- ICT

## Young Enterprise Primary Programme

Our Nation is just one part of the Young Enterprise Primary Programme. Our progressive scheme of six modules takes students on an inspiring journey of exploration through the world of work, financial capability and enterprise.

Ourselves (aged 4-7)  
Our Families (aged 5-8)  
Our Community (aged 6-9)  
Our City (aged 7-10)  
Our Nation (aged 8-11)  
Our World (aged 9-12)

At each stage, students work directly with specially trained Young Enterprise business volunteers from the local community who raise aspirations, develop key skills and open their eyes to the exciting world of enterprise.
