Governors' Written Statement of Behaviour Principles

Rationale and Purpose

This Statement has been drawn up in accordance with the Education and Inspections Act 2006, and DfE guidance (Behaviour and discipline in schools: Guidance for governing bodies). The purpose of this statement is to provide guidance for the Head Teacher in drawing up the Behaviour Policy at English Martyrs' Catholic Primary School so that it reflects the shared aspirations and beliefs of governors, staff and parents for the children in the school, as well as taking full account of law and guidance on behaviour matters. The policy aims to underpin the governor's duty of care to all pupils and employees, promoting teaching and learning and high standards of attainment and excellent progress. It is intended to help all school staff to be aware of and understand the extent of their powers in respect of discipline and sanctions and how to use them. Staff should be confident that they have the governor's support when following the school's Behaviour Policy.

This is a statement of principles, not practice it is the responsibility of the Head Teacher to draw up the Behaviour Policy at English Martyrs' Catholic Primary School, though she must take account of these principles when formulating this.

The Head Teacher is also asked to take account of the guidance in the DfE publication Behaviour and discipline in schools: Advice for Head Teacher's and school staff (January 2016).

The Behaviour Policy must be publicised, in writing, to staff, parents/ carers and children each year. It must also appear on the school's website
