Dear parents and carers

I am delighted to write my first letter as the new Headteacher of English Martyrs' Primary School. I feel extremely honoured to have been chosen to continue to build upon the success the school has already achieved under the leadership of Mrs Appah and her team.

This will be my second spell at English Martyrs' Primary School. I spent nine beautiful and exciting years at this school before I moved to a Primary school in Lambeth where I have served as an inclusion manager, Maths leader and Deputy Headteacher. I have very fond memories of English Martyrs' - the pupils, staff and parents and I look forward to be able to work with all of them once again. Together with our governors and others in our community I look forward to continue to ensure that the school continues to make steady progress for the good of our children.

I am particularly interested in working with all parents in the coming years and to strengthen further the school-home partnership. I am sure that a good education which prepares the children for a successful future is one of your main priorities. I therefore look forward to have different opportunities to discuss anything related to the education and progress of our pupils and to work with you in a number of ways to ensure that each and every one of our pupils is well equipped with the skills they need to move forward in life and succeed when they leave our school to move on to the next step in their educational journey.

Due to the Coronavirus pandemic we have all been effected by lockdowns and many other restrictions. It has been a difficult time for us all. We now look forward to welcome all children back in school on Monday 8<sup>th</sup> March and to continue to work towards our school vision and the school motto: Worship together, Aspire together, Excel together.

Thank you.

Yours faithfully

Mr J Camilleri  
Headteacher
