

SEND Newsletter Summer 2021

Dear Parents,

Welcome back I hope that you and the family have had a happy Easter holiday.

Due to the continuing Covid situation the school is having a no visitor policy in school until further notice.

Children will continue to be supported by outside agencies such as the Autism Support Team and Educational Psychologist both in school and with remote meetings with parents via Microsoft Teams.

English Martyrs' has a newly formed Inclusion Team consisting of myself and:

- Ms Akpojotor (Deputy Head Teacher and Inclusion Lead) Ms Essel (Learning Mentor)
- Ms Platt (School Home Support Teacher) Ms Raji (Health Mentor)

Please do not hesitate to contact any of us from the Inclusion Team if you have any questions, queries or comments about your children.

I can be reached via my email send@englishmartyrs.southwark.sch.uk and I am happy to arrange meetings with you via Microsoft Teams.

I will be working remotely on Wednesday, Thursday and Friday each week.

I look forward to speaking with you.

Ms Sudell (SENCo)

Useful Information for Parents:

Parent consultation service

This is run by the Southwark Educational Psychology Service and offers parents/carers the opportunity to request confidential consultation about concerns they have about their children at home. Parents can self refer via SEN-EducationalPsychologist&EHO@southwark.gov.uk

- Please contact me for further information

Health needs:

If your child has health needs please inform the school so that we can ensure their safety and refer your child to the school nursing team as needed.

Asthma

If your child has asthma you must provide a clean, labelled inhaler with a spacer. Please also provide the school with an asthma card which should be signed by your child's asthma nurse/GP. Please contact me if you have any issues getting your child's asthma card signed and I can refer to our School Nurse.

School Nurse

You can send a text for advice about your child on all kinds of issues, like emotional health, keeping healthy, bedwetting, sleep, bullying, keeping safe, growing up, dental health or support with medical conditions in school.
