For the attention of Nursery Parents

Dear Parents,

If you would like your child to attend our school nursery full time please see important information below.

Currently all nursery school age pupils are entitled to the government **15 hrs free**, which relates to Monday to Friday mornings (8.30am-11.30am) or afternoons (12.30pm-3.30pm.)

If you wish to have your child attend for a further 15 hrs, making this **a full time place(30hrs)** the **additional 15 hours are at a cost** to the parent, £15.00 per session (session being am or pm per day)

Schools can receive funding to pay for your child's additional 15 hrs at no cost to the parent **if you are eligible through the 30hr childcare scheme.**

Parents can apply for the 30 hour code via the Gov.uk website or do a Google search for 30 hr code for nursery.

To enable the school to receive the funding per term from the local authority parents need to be aware of the **'valid from'** and **'expiry dates'** of your code; otherwise the school will not receive money for your child and the cost will be passed over to you or your child's full time place may be withdrawn.

It is the parent's responsibility to renew and check their codes to ensure their child's full time place is not at risk.

Please make sure you understand and have completed the relevant checks or renewal to comply with the above dates.

Thank you

Mr Camilleri
Head Teacher
